ICT & ET Resource Centre

Information and Communication Technology (ICT) is an umbrella term that includes all tools and techniques to enhance the effectiveness of the teaching-learning process.

The college has a state of the art ICT & ET lab with personal computer systems for the students, Scanning and Printing facilities, LED T.V., LED Projector, OHP, DVD Player and Audio equipments.

Health and Physical Education Resource Centre

Sports and physical training constitutes an essential part of education. Our college has a fully equipped health & physical resource centre. It provides ample opportunities for students to indulge in indoor & outdoor sports activities. Facility for outdoor games include two full size courts marked out for playing Badminton and Volleyball. Indoor games facilities include Table Tennis, Chess, Carom-boards, etc along with a dedicated space for Yoga. We aim to help provide students with adequate resources for their physical fitness.

Multipurpose Playfield

Facility for outdoor games include two full size courts marked out for playing Badminton and Volleyball.

Arts and Craft Resource Centre

Art and Craft resource centre is housed in a well designed spacious room with facilities for music (Harmonium, Keyboard, Tabla, Dholak, Veena and Flute), drawing & painting, stitching & tailoring, origami and woodwork. Students can utilize all these for their creative works of arts and crafts.

Language Lab

The language lab is equipped with a teacher console and a language learning software where students are trained to develop and hone their Communicative skills of Reading, Writing, Listening and Speaking using headphones with mics.

Canteen

College canteen is equipped with a induction cook top, refrigerator, water purifier, water cooler, etc. for the convenience of students to have lunch and snacks.
